

Higham Explorer Homework: Spring Term

Choose at least two tasks from the activities below, once you have completed them bring them in to school. This term's tasks should be completed and returned to your class teacher by Friday 17th March. Have fun and be creative!

<p>Task 1: Grow a plant. Choose a plant to grow indoors. Document the changes as your plant begins to grow. You could choose a plant that flowers or herbs that could be used at home in cooking.</p>	<p>Task 2: Keep a Moon Diary Observe how the moon changes over two weeks. You can find a chart to fill in at www.goo.gl/A043bq You will also find information on the moon phases here too.</p>	<p>Task 3: Make a Natural Bird Feeder. Bring into school to hang in the playground, or hang in your own garden or greenspace and bring in a photo. Ideas for feeders can be found at www.goo.gl/Bw6O9f</p>	<p>Task 4: Outdoor Shape Scavenger Hunt Find mathematical shapes, features and patterns outside. Take photos or draw pictures of the shapes and patterns that you find.</p>
<p>Task 5: My Tree Observations Return to the tree that you observed in the Autumn term. Create another picture of your tree, think about what your tree was like before and how it has changed again.</p>	<p>Task 6: Design a Bird Poster After hanging your bird feeder in your garden, spend some time observing the birds that visit. Research these birds and create a poster showing the different species that visited your garden?</p>	<p>Task 7: Forest Is Your Playground Part 1 Design a forest creature using natural materials. Take a walk in the woods or a forest, let your imagination come to life! Can you imagine the types of creatures that could live there? I was inspired by the new Centre Parcs advert!</p>	<p>Task 8: Forest Is Your Playground Part 2 Using the creature that you created in part 1. Write an adventure story or poem with your creature as the main character. Present your poem or story with accompanying pictures.</p>
